

Partnerships with Across the Table

Across the Table regularly partners with other non-profit organizations. Doing this allows both Across the Table and the partnering organization to further our missions while reaching a new audience.

Interested in partnering with Across the Table for a no-cost, low-effort, fun, productive and enlightening dinner? Read on for more information!

How the partnership works:

- Across the Table and the partner organization collectively choose a date for the event together.
- Across the Table provides the partner organization with three different location choices and the partner organization can choose among the three which would best suit the needs of the organization.
- The partner organization agrees to promote the event by including information about the dinner in their email blasts and if they choose to do so, on their Twitter and Facebook profiles.
- The partner organization will have one staff or board member sign up for and attend the dinner.
- The topic of conversation for the dinner will relate to the mission of the partner organization.
- The representative will be able to speak for a few minutes about the work of the organization.

**To partner with Across the Table, please contact Lauren Grossman at:
